EUXTON PARISH COUNCIL

At Euxton Library our monthly coffee mornings are always well attended by the residents of Euxton. We provide a meeting place for people to come in and have a chat over a cup of coffee and listen to a guest speaker for no charge. To date all our guest speakers have been well received and very much appreciated.

Most Guest speakers offer their services free of charge but we do have a few who ask for a fee to cover their expenses.

Due to the success of the Euxton Library coffee mornings, we would like them to continue during 2018/2019 therefore I would like to submit another application for funding to Euxton Parish Council for these events.

Kind Regards

Kath Deakin

Hi Heather and Jeff

I have been passed your email by Chorley Council.

The Parish Council is looking to match in some wicker artwork with Chorley, on a roundabout within the village and wondered if you might supply a price for a piece.

The roundabout would have been in the centre of the former ROF amunitions factory site (now Buckshaw Village) but which is in Euxton and we would like a Field Canon - I hope you can see the two images below.

It is a large roundabout so would need to be of a decent size canon. Can you help with a cost and also, a timescale for such a piece.

Regards, Debra
