

Application for first time sewerage

This form should be used by an individual or groups of householders wishing to make an application to United Utilities for the provision of a public sewer under Section 101A of the Water Industry Act, 1991.

All of the following criteria must apply.

1. Two or more properties are contributing to an environmental or amenity problem because of the absence of public sewerage.
2. The properties are not currently connected either directly or indirectly to the public sewerage system.
3. The properties are domestic only.
4. The environment or amenity problem cannot be more appropriately resolved by improved maintenance or operation of the existing systems.
