Police Report

A quantity of hand tools was stolen from a workshop on Catterall Lane, after the door was forced open. A garage on Hamers Wood Drive was broken into and a motocross wheel and bike were stolen. A child's scooter was stolen whilst left unattended on a driveway on Cock Robin Lane, Catterall. An anti-social behaviour was reported on Parklands with a noisy party.

More worryingly are two incidents of arson one on Duckworth Drive when a fire was lit on a door mat and one on Catterall Gates Lane when paper was set fire to and pushed through the letter box. The residents have serious learning difficulties and, but for the vigilance of the staff the incident could have caused loss of life. The Police are looking for anyone with information to come forward.

Wyre Councillor D. Swift

The Councillor reported on Wyre's achievement in Awards in People, attaining the gold standard, had the first pop up shop outside London and the 'I' Bus is touring the area looking for volunteers. Wyre has a 98.2% rate for Council Tax collection, one of the highest in the country.

County Councillor Mrs. S. Perkins

The Councillor reported on the definite re-opening of the Claughton Household Tip, albeit on limited hours: it would not be until after Christmas, but the license is being applied for. This is despite objections from Wyre Council who considered it would have an adverse effect on their Bulky Matters business. Lancashire County Council is constantly looking at saving and is debating the cost of stencilling the LOGO on the side of the refuse skips. The tip will accept garden waste, white goods and any household items that can be recycled. Wood/doors/bricks etc will be classed as builders waste and these will be charged for. There are discrepancies between Lancashire County Council's recycling sites and these are to be brought into line so that everyone accepts or refuses the same.

A number of cyclists have approached the Councillor regarding cycle routes and Lancashire County Council is to look at Wyre next year to carry out a public consultation on roads suitable for cyclists.

Cllr. Baron has visited the Chief Constable of Lancashire concerning the local festivals, but the Police are not budging, roads used must have traffic management.

The meeting was resumed.
