Friendly, knowledgeable, equine only vets

Client information on Penbode 'Out of Hours' arrangements

Penbode Equine Vets provide a 24/7 'Out of Hours' service. These are:

- 6pm-8:30am Monday to Friday
- All day Saturday and Sunday
- All Bank Holidays

Clients may contact the surgery 'Out of Hours' by calling the normal practice daytime telephone numbers:

| Practice | Telephone number |
|-------------------|------------------|
| Holsworthy | 01409 255549 |
| Tavistock | 01822 613838 |
| Okehampton | 01837 506070 |

The telephone will be answered by a duty member of staff who will need to take your name, the name of the animal or farm, your address and a contact telephone number. They will also ask for a brief description of the problem or reason for contacting the practice.

Please note your phone call may be recorded for quality control and training purposes.

The member of staff will then organise for the duty veterinary surgeon to return your telephone call as soon as possible, or organise an emergency appointment / visit.

The duty veterinary surgeon will be able to advise you of an estimate of costs for the 'Out of Hours' provision.
